MEMORANDUM FOR: Chief, Foreign Intelligence

SUBJECT : Project AECHAMP (Amendment to Renewal)

1. Request is hereby made to include an additional person, [in the operational plans covered by the AECHAMP Project Renewal, dated 31 May 1955, as approved 12 November 1955 by Gordon M. Stewart, C/FI, and C, C/Plans.
2. [] is a defector who came into our hands on 23 October 1955. He confessed almost immediately upon defection that he was an RIS provocateur sent to penetrate the Lithuanian emigre organization, VLIK. One of his tasks was to confront a member of VLIK with a photostat of a recruitment statement that said VLIK member allegedly signed agreeing to work for the RIS in 1941. This provocation was designed to re-recruit the VLIK member. [] has been thoroughly interrogated on his RIS mission and his background and it is desired to "double" him back for an operational mission. The initial plan is to allow him to ostensibly "escape" and return to East Germany. He is then to re-establish contact with us when he has settled down or returned to Lithuania. If contact is not re-established, then we will have at least accomplished a disposal.
3. No increase in project allotment will be required by the addition of Subject to Project AECHAMP.
4. For any further information please contact []
7, 2609 "J." Building, extension 3582.
